France - Vive le Bleu!

Marking the start of France's six-month presidency of the European Union, the legendary Eiffel Tower of Paris was "dressed up in blue" with twelve yellow stars to recall the EU flag. The 300-metre (984-foot) high tower, the most recognizable monument of France, has been taking on this flamboyant blue hue every evening for six months. GRIVEN has proudly contributed to light up the Parisian...

China - Macau hosts Indian Film Academy Awards

Since their first edition in 2000, the Indian Film Academy awards have taken place in various cities, including London, Johannesburg, Dubai and Bangkok, with the mission to promote Indian cinema around the world. Rapidly growing as one of Asia's most popular cultural and tourist destinations, this year Macau has been chosen to host this prestigious celebration, owing also to its fame as the Asian Las...
