### Hong Kong - APA in full swing

Established by Government Ordinance in 1984, the Hong Kong Academy for Performing Arts is one of the leading institutes of higher arts education in Asia. It provides professional education, training and research facilities in the performing, theatre and entertainment arts, film and television. Its educational policy reflects the cultural diversity of Hong Kong with emphasis on Chinese and Western traditions. The...

### The Netherlands – Experiencing Community Theatres

Community theatre is an important device for communities to collectively share stories, to participate in political dialogue, and to break down the increasing exclusion of marginalised groups of citizens. It is practised all over the world by growing numbers of people. This artistic medium places the power of art and culture directly in the hands of the whole community, firmly believing that art and...

### GRAPH-i -SPOT

The new Graph-i-Spot by GRIVEN is about to set a new standard among its LED colour changer series. A super compact single 3W full-colour LED unit that looks like a cut stone and shines like a diamond, Graph-i-Spot is a fully weatherised IP65 powerful fixture. A new solid state solution that can be easily assembled with other units of its kind in any shape to build a virtual LED screen on almost all...
