

New product launches 2010

On par with the outstanding quality and innovative standards set by the PARADE series, the new modular bar by GRIVEN, **PARADE D-RGB-10** is NOW available for shipment. PARADE D-RGB-10 is where class and cost-saving meet to provide you with a great LED solution.

The other two novelties, which were successfully presented at PL+S and L+B, the GoboLED and the WaterLED, will start shipping by June. Place your order NOW in order not to lose your priority. Prices are available.

New indoor LED lighting design collection

At Light+Building 2010, which was held in Frankfurt am Main from 11th to 16th April 2010, we put on display, in a newly conceived stand, a selection of energy-efficient LED luminaires, specific for optimal lighting performances in indoor ambiances. Recessed luminaires, suspended downlights, floodlights, wall and ceiling mount fittings, suspended linear bars were unveiled on our booth.

Should you be interested in an introductory overview of this indoor lighting design collection, please download the related brochure from the communication area of our website by [clicking here](#).

India - The Sat-Chit-Anand Water Show: the ancient secret has been revealed

Over 150 GRIVEN lighting fixtures have been employed in the memorable Sat-Chit-Anand Water Show. Enter the news to watch the related video on our home page. The Sat-Chit-Anand Water Show is a brand new, breathtaking addition to the Swaminarayan Akshardham complex in Gandhinagar, the capital city of Gujarat (India). As 'Sat' means truth, 'Chit' consciousness and 'Anand' ...
